

# Cross Stitch Pictures

You do not need to know how to cross stitch to use these patterns!! (But feel free to also saw them if you know how)

You can use them for:

- Drawing
- Typography
- Cross Stitch
- Latch hook art

Follow the patterns in your computer and make cards, frames, bookmarks or almost anything you want! All you have to do is assign a colour to each icon. Here's an example of a completed owl typed and stitched:
