

Becky's Cookies (makes 12)

Ingredients:

200g Butter

300g Caster sugar

1 egg

325g Flour

200g Chocolate chips

Instructions:

1. Preheat oven on 170 fan and line a baking sheet with greaseproof paper
2. Beat together butter and sugar
3. Add the egg and mix
4. In small amounts sieve in the flour and mix until combined, complete until all the flour is added
5. If the mixture seems too dry then add in a splash of milk
6. Fold in chocolate chips
7. Using your hands pick out small balls and place on baking sheet, make sure they are as even as possible
8. Bake for 15 minutes or until golden brown, remember that cookies will continue to bake once out the oven using residual heat
9. Leave to cool for 10 minutes on a wire rack and then enjoy with a nice cup of tea :)
