

# Paper Twirler

## Materials:

Paper

Scissors

Markers or colours to decorate

Tape (optional)

String (optional)

## Instructions

1. Draw a spiral starting at the centre of the piece of paper and all the way out to the edge
2. Draw the design you want in your twirler
3. Cut out the spiral you drew in step 1 starting from the outside all the way into your centre
4. Tape a piece of string to the centre of your spiral
5. Lift the string and watch your twirler come to life!
